Cathedral of Christ the Light Mausoleum

BISHOP'S MESSAGE

The Cathedral sitting as it does in the heart of our city, is a symbol to us of what we are called to be as the Church: to live in the midst of the world for the world, radiating the light of Christ.

Bishop Cordileone, Diocese of Oakland

OPEN TO ALL OF THE FAITHFUL

The Cathedral Mausoleum replicates the tradition of the early Church to place the faithful at the grounds of the Church. Available within the reverential and beautiful Mausoleum are a variety of interment options.

Single or companion crypts made of fine marble or opaque onyx for casketed entombment are available.

For those selecting cremation, niches are available in both marble and glass fronts. Additionally, with the growth of cremation and in light of the Church's teachings regarding the proper disposition of cremated remains, CFCS offers free interment of cremated remains in our Remembrance Crypt.

FUNERAL PLANNING

The Cathedral provides a meaningful and spiritual setting for funerals. You can prepare for your complete funeral services at the Cathedral or any of our convenient Bay Area locations.
